

# New from FPI Publishing

A

unt Hattie's quilt shop is full of gray calico fabric, and for Hanna that just won't do. Fortunately, the Good Fairy Gadget steps in and sets Hanna and her dog Bobbin on the Fabric Road to inspiration. Join Hanna and Bobbin on this quest and you may just find yourself quilting your own Dream.

The sense of adventure and the exciting pictures are sure to delight every child who reads it... and the child within many adult quilters as well."

Jean Ann Wright  
Senior Editor,  
*Quilt Magazine*

"Aunt Hattie? Did you get any new fabric in last week?" asked twelve-year-old Hanna. Hanna was spending the afternoon in her Aunt Hattie's quilt shop, the only quilt shop in the country.

"New fabric? What do I need new fabric for? We have plenty right here."

"But Aunt Hattie! It all looks the same. Calico, calico, calico. Gray, gray, gray. You know I have some wild ideas for quilts. And I need lots of colours to quilt them."

"Well, I don't know where you get your ideas, Hanna. I suggest you stick to traditional quilting first. Learn the basics. You'll need a firm foundation if you're actually going to make those wild quilts someday."

The Dream includes patterns and instructions for making your own Dream Quilt.

Gyleen X. Fitzgerald is a chemical engineer by day and an inventor and quilter all the time. Her blend of colour, pattern, and texture brings a contemporary essence to traditional quilting. Gyleen's quilting awards include best of show and numerous blue ribbons in both local and national competitions. Her quilts have been published in *Patchwork Quilting*, *Quick Quilts*, and *Quilt Almanac*. She is the co-author of *Poetry & Patchwork*.
