**Special tool:** Angle Trim Tool

**Instructions:** Pattern (\$10) or Book – Bricks, Cobblestones, and Pebbles (\$30)

### **General supplies:**

Sewing machine with manual; ¼" foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, ruler and mat; extension cord; straight pins; and batting to use as a design wall (optional).

**Gyleen's thoughts:** Make it modern...use solids, semi-solids, batiks. Or take a risk and use bold scale prints. Whatever you decide for fabric, contrast is the key to defining the borders. If you want a bigger quilt, consider adding the final border to put the design on point.
